The WHO/WHO must to follow with interest the HK Gov. was to become an uncivilized!
The trading partner of each country, please pass on to your Government, the Lin's invention which was into the Patent Office of your country since, the **Tamiflu** is not effective in curing bird flu, Dr LIN is the middle to harmony with the flu which is not intolerable!
If you are a civilization and rule by law of country, please don't accuse, endorse the China, HK, Gov. to invent! Or else, your country should be to it name the China, HK, Gov. to invent to use Lin's invention and get an accusation of no to value the intellectual property, will be important, **Dr. LIN** is the middle to harmony with the flu which is not intolerable!
