Dear Mr LIN,

I refer to your letters to the Hospital Authority (HA) dated 4 August and 8 September 2004, offering to sell the patent right of a treatment for SARS-infected lungs which you invented.

I would like to thank you on behalf of the HA for your offer. However, I regret to inform you that since the HA is not involved in the purchase of patent and the manufacturing of medical device and pharmaceutical, we are unable to accept your offer.

Yours sincerely,

(P W LEE)
